

Spring Hill Camera Club Bimonthly Photographic Challenge

1. Photographic assignments will be listed by the Competition Committee at the beginning of each year that challenge members in a particular genre of photography. Assignments will be made for the time periods of January/February, March/April, May/June, July/August, and September/October.
2. The assignments are intended to encourage members to think about and create images related to the assignment during the bimonthly period, but do not necessarily have to be taken during the challenge period. Images are not eligible that have been submitted for regular competition or a previous bimonthly challenge.
3. Members will submit their images at the competition meeting of the second month of the bimonthly period. Each member can submit one image (monochrome or color), regardless of size, but must be printed on paper no larger than 8 ½ x 11 inches. The image cannot be matted or framed. Composite images are acceptable but must be comprised of images solely taken by the creator.
4. Each member will affix their name on the back of the image. The images will be placed, image side up, in the designated location.
5. Images will be judged by a panel of three members selected by the Competition Committee. Images will be judged in accordance with the competition standards (impact, composition, viewpoint, technique, print quality) and relevance to the assignment. Judges will view the images at the beginning of the meeting and decide, by the conclusion of the break, which images will receive a placement for first, second, and third. The decision will be by consensus of the judges.
6. The first place winner will receive a \$15.00 gift certificate from a local store or restaurant. The first, second and third place finishers will receive a certificate of recognition. Gift certificates will only be awarded to any individual one time per year. If the first place winner has already won a gift certificate, the certificate will go to the second place winner. Likewise, if the first and second place winners have already won a gift certificate, then the certificate will go to the third place winner.
